APPLICATION DEADLINE: February 22, 2021

JOB TYPE: Temporary

START DATE: April 1, 2021

END DATE: October 31, 2021

PURPOSE AND GENERAL DESCRIPTION

For the past forty-nine years, the Bicycle Coalition of Greater Philadelphia has advocated for better bicycling infrastructure, access, and opportunity – promoting safety and community health. Our small staff comes from many walks of life, but everyone here shares the same passion: making bicycling a safe and fun way to get around for anyone in Greater Philadelphia. We work hard to improve bicycling for all people, but we do not lose sight of the fact that bicycling is fun.

The Bike Share Bilingual Community Liaison is a seasonal position that supports the work of the Better Bike Share Partnership (BBSP) contract with the City of Philadelphia. The position will work specifically to engage diverse communities within the Indego bike share service area.

The Better Bike Share Partnership is a collaboration between the City of Philadelphia, Indego bike share, the National Association for Transportation Officials (NACTO), People for Bikes, and the Bicycle Coalition of Greater Philadelphia. BBSP's mission is to build equitable and replicable bike share systems across the country, with Philadelphia as a central location for testing and learning best practices. BBSP began in July 2014 through a grant from the JPB Foundation and will continue the initial work with a revised focus on refining and widely sharing best practices. Helping cities and systems identify and address the structural racism that may hinder efforts and embedding the strategies and approaches that enable effective engagement in underserved communities throughout bike share and transportation.
